Special to The Public Ledger.

FRANKFORT, April 15th.

The Sound Money Democrats hold the key to the situation, and say that after today they will break quorums until Hunter is withdrawn.

This means that they want to put forward one of their own number for Senator, and that the bolting Republicans will not for him.

The Grand Jury is examining a few witnesses each day, and it is now apparent that the "charges" against Dr. Hunter were a part of the scheme to delay his election until the Blackberrys could hatch up something else.

Judge Cantrill, however, has notified the Grand Jury that it must report at an early date or possibly go to jail.

Three ballots were taken, with Hunter two short on each.

If you have friends visiting you, or if you are going away on a visit, please drop us a note to that effect.

Dr. Claude Pott of Cincinnati is in the city.

Mrs. W. D. Cochran has returned from Danville.

Miss Lulu Hine is spending a few days with her parents at Augusta.

Misses Allie Alexander and Nettie Newell are visiting at Manchester.

Mr. J. S. Perkins of Orangeburg was a caller on THE LEDGER yesterday.

Mrs. Ollie Reese and son of Pomeroy are visiting Mrs. H. C. Metcalfe of Carlisle.

Miss Nettie Barton of Texas, Miss Katherine McCoy of Michigan, and Miss Harriet West of Ohio, will spend Easter with Miss Alberta Glascock at "Edgewood."

If you have an item of news, please call on THE LEDGER, Telephone 33, and send it in.

A young man who wants to learn type setting can get a place at this office.

Death Last Week at Indianapolis of This Former Mayville Lady.

Mrs. Josephine Ralston Nichols, a native of this city, died last week at her home at Indianapolis, Ind.

Mrs. Nichols was prominent in literary circles, frequently contributing to the leading periodicals of the country, and had on several occasions delivered public lectures, one of which was given at the Opera-house in this city some years ago.

Her sister, Mrs. Henry F. Nelson, died at Paris, Ill., January 10th, 1897, and the death of these two excellent women leaves surviving only one member of the family—Mr. Richard Davis of Lima, O.

She was prominent in W. C. T. U. circles, and her death is deeply regretted in the city where she had so long resided.

WE'RE FOR AMERICAN AMERICANS!

FREE-TRADE vs. PROTECTION.

Comparative Figures That Ought to Forever Settle the Merits of the Systems.

The official figures of the Treasury Department at Washington are much better proof for or against any system than the unsupported declarations of Free-trade demagogues. The Wilson-Gorman Free-trade Tariff Law has now been in operation 31 months, and THE LEDGER presents below the official figures, showing the total receipts from customs duties during that period, compared with the total receipts from the same source during the first 31 months of the McKinley Protective Tariff.

The reader is left to draw his own conclusion as to which policy is best for the American people.

Receipts—McKinley Law.		Receipts—Wilson Law.	
1890—October.....	\$24,934,114	1894—September.....	\$15,564,090

A MEETING of the stockholders of the Louisville Gas Company has been called for April 22d to consider plans for raising about \$250,000 for the purpose of making improvements. What's the matter with the meters down there?

WHEN BENJAMIN HARRISON became President the public debt was \$1,680,917,706.23. When he retired from office four years later the public debt was \$1,549,556,353.63. To make it plain—When Harrison went out \$1,680,917,706.23 When Harrison went out \$1,549,556,353.63 Debt reduced.....\$131,361,352.60 And there were no bonds issued, either.

Now let's see what Mister CLEVELAND did. When he went in to "reform" things he found that HARRISON had left a public debt of \$1,549,556,353.63. CLEVELAND believed in progress; so when he stepped out to give place to President McKINLEY the public debt had grown to \$1,785,412,640.90. To make it plain—When Cleveland went out \$1,785,412,640.90 When Cleveland went in \$1,549,556,353.63 Debt increased.....\$235,856,287.27

These figures, remember, do not include the bonds issued, which entail an additional interest expenditure of some \$80,000 annually. Putting the two main items together, we have this result: Increase of debt under Cleveland.....\$235,856,287.27 Bonds issued.....\$22,513,409.00 What Cleveland "reform" cost.....\$498,171,697.27 Yes, yes; Democratic Reform of the Cleveland brand comes high—but the people want a change in 1892; and no wonder they wanted it changed back in 1890!

Two years ago R. J. Warren, a druggist at Pleasant Brook, N. Y., bought a small supply of Chamberlain's Cough Remedy. He came up the result as follows: "At that time the goods were unknown in this section; to-day Chamberlain's Cough Remedy is a household word." It is the same in hundreds of communities. Where ever the good qualities of Chamberlain's Cough Remedy became known the people will have nothing else. For sale by J. James Wood, Druggist.

A BREACH

Reported Between H. L. Martin and Joe C. S. Blackburn.

Martin Believes He Has a Chance to Win the Prize Himself.

The State Senator is Bitterly Disappointed for His Alleged Treachery—Judge Cantrell Instructs the Grand Jury in the Dr. Hunter Bribery Case.

LOUISVILLE, Ky., April 16.—A special to the Evening Post from Frankfort, says: It is reported, on what is believed to be excellent authority, that there is a serious breach between State Senator Henry L. Martin and ex-United States Senator J. C. S. Blackburn, of the silver democratic faction. Martin, who has worked like a Trojan for Blackburn during the past two years, feels that he now has a chance to win the prize himself. It having been conclusively demonstrated that Blackburn can not be elected, as Blackburn and his lieutenants have so far declined to counterbalance the movement and have even gone so far as to bitterly denounce Martin for his alleged treachery. But this was done in private, while in open the Blackburn men were solicitous as to Martin.

At 9:25 Thursday morning Judge Cantrell, of the Franklin circuit court, ordered the grand jury to report at once on the bribery charges which it has been investigating.

Later Judge Cantrell called the grand jurors into open court and instructed them as to their duty in the case before them. He said he regretted that the matter came up before the adjournment of the legislature, and felt that it was the duty of the legislature to wash its own dirty linen, but having attempted to investigate, it was their duty to probe it to the bottom, "and in so doing, I command you to not show any favoritism." The usual step on the part of a circuit judge was received with surprise by both republicans and democrats alike. The first ballot in the joint session of the legislature Thursday resulted as follows: Hunter 48, Blackburn 43, Martin 10, Boyle 6, Stone 1, leaving Hunter two votes short of an election. No motion to adjourn was made and the second ballot was ordered. The second and third ballots resulted as follows: Hunter 57, Blackburn 43, Martin 10, Boyle 6, Stone 1. A motion was then made that the general assembly adjourn, which prevailed.

AT REST.

The remains of Ex-Senator Daniel W. Voorhees, buried in Highland Lawn Cemetery, Terre Haute, Ind., April 16.—The funeral of Ex-Senator D. W. Voorhees took place Thursday afternoon from St. Stephen's Episcopal church, Rev. John E. Sulger, the rector, officiating. This is the church in which he was confirmed a number of years ago and which he has attended when here. During the two days the remains have been here the funeral having been delayed awaiting the arrival of his eldest son, Charles Voorhees, of Spokane, Wash., they have lain in state in the parlor of the Terre Haute house, which he has made his home since he broke up housekeeping a number of years ago. A steady stream of people has passed through the flower-embellished room and looked upon the face of their dead friend.

All classes and conditions of people have been represented and their tearful eyes have told the story of the universal sorrow.

During the afternoon all places of business in the central part of the city were closed. The public and private schools were dismissed, and the whole town united in doing honor to its distinguished son.

Senator Voorhees was a mason and the various masonic lodges participated in the funeral exercises. While the city council and many civic and military organizations followed his remains to the grave in Highland Lawn cemetery, where he lay beside his wife, who died several years ago.

Gov. Mount, ex-Gov. Matthews and many distinguished men from all over Indiana were present, while from the towns near by delegations came by the hundreds, for in all they loved him as almost as well known as he here at home. The funeral was the most impressive that ever took place in the history of this city. Among the honorary pallbearers were Col. R. W. Thompson and Hon. W. R. McKee.

Dr. Wagner Set Free. LEXINGTON, Ky., April 16.—Dr. Geo. B. Wagner, the Bellevue physician who was accused by Jackson and Walling three days before they were executed with being a party to the murder of Pearl Bryan, was released from the eastern Kentucky lunatic asylum Thursday and returned to his home, near Nicholasville. He has been considered of sound mind for nearly two months, but Dr. Stout delayed discharging him from the institution until his family should remove from Bellevue as he was afraid the doctor's malady would return should he go back to his old home.

The Strength Record Broken. NEW HAVEN, Ct., April 16.—Clarence Sidney Verrill, son of Prof. Verrill, of Yale, has broken the strength record made by Charles Chadwick of Yale recently. Chadwick broke the strength record of Levering, the Harvard champion of 1883, which Chadwick's total was 1018. Verrill's total is 1076. The strength tests were supervised by Dr. Jay W. Weaver, physical director of the Yale gymnasium. Verrill is a scientific school freshman, and weighs only 145 pounds.
